Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicant respectfully requests the issuance of a corrected Filing Receipt containing Assignment Information for Publication.

Applicant included an Application Data Sheet with the filing packet that indicated International Business Machines Corporation as the assignee. A copy of the Application Data Sheet is included herewith as **Exhibit A**. The Application Transmittal filed in conjunction with the present application noted that an Application Data Sheet was included. *See Exhibit B*. An assignment was included with the application and properly noted on the Application Transmittal. *Id.*

The Filing Receipt mailed on February 26, 2004 lacked the data line entitled "Assignment Information for Publication" indicating assignment to International Business Machines Corporation. According to 37 C.F.R. 1.215, "[a]ssignee information may not be included on the patent application publication unless this information is provided on the application transmittal sheet *or application data sheet included with the application on filing.*" As Petitioner duly noted assignment information on both the Application Transmittal and Application Data Sheet, Applicant respectfully requests the issuance of a corrected Filing Receipt including the data line Assignment Information for Publication Purposes indicating assignment to International Business Machines Corporation.

Authorization is hereby given authorization to charge any fees due hereunder to Deposit Account No. 50-1546. If a telephone conference with Applicant's attorney would expedite handling of this Petition, please contact the undersigned at (315) 218-8515.

Respectfully submitted,

Dated: March 2, 2004
